Delaware Hospice is accredited by the Joint Commission and provides care throughout Delaware and southern Chester and Delaware Counties in Pennsylvania. It is state licensed, Medicare/Medicaid certified. As a recipient of Federal financial assistance, Delaware Hospice, Inc. does not exclude, deny benefits to, or otherwise discriminate against any person on the basis of race, color, national origin, disability, sex, or age in admission to, participation in, or receipt of the services and benefits under any of its programs and activities, whether carried out by Delaware Hospice directly or through a contractor or any other entity with which Delaware Hospice arranges to carry out its programs and activities.

As the leading nonprofit hospice serving the region, Delaware Hospice puts patients before profits. Since 1982, our best-in-class programs and services have helped over 140,000 patients and their families thrive in the face of serious illness — regardless of their ability to pay.

Thanks to generous donors like you, we can do what's best for each patient and family without compromise. Our team of compassionate specialists takes a holistic approach, addressing our patients' medical, physical, emotional, and spiritual needs, empowering them to live in dignity and comfort.

At Delaware Hospice, we do so much more than provide high quality hospice care to our patients and families. Through our programs and services we meet patients at whatever stage they are in with their serious illness: through Delaware Palliative, Delaware Transitions, and for children, through our Katybug program. We also help children cope with loss through New Hope. Our Grief Support Services include lectures, support groups, and workshops to help grieving individuals reinvest in life.

In short, we play a critical role in helping people navigate one of life’s most challenging journeys — thanks to donations from people like you.

Give Comfort. Find Comfort. Remember and Honor a Loved One.
FIND COMFORT IN A LASTING TRIBUTE

Losing someone you love is one of the most difficult things you can experience. Many families and friends find comfort in honoring the life of their loved one through a lasting tribute in their memory.

Memorial gifts to Delaware Hospice celebrate lost loved ones in ways that are both heartfelt and uniquely personal. In turn, each gift provides the resources to help us to care for other families during times of need.

GIVE COMFORT IN TIMES OF NEED

The anxiety, discomfort, and uncertainty of coping with a life-limiting illness can easily interfere with what matters most in life. But with your help, our expertise in managing symptoms, pain, and practical details enables patients and families to focus on their time together and get back to what’s important.

Even when Medicare, Medicaid, and private insurance benefits don’t cover all of the costs of our top-quality programs and services, we can continue to care for our community thanks to thoughtful, generous donors like you!
